Miguel da Silva Crespim

SOFTWARE ENGINEER

Profile

I am a fourth year Software Engineering student at the Amsterdam University of Applied Sciences. Always curious to learn something new and work on projects that interest me.

Education

Bachelor Software Engineering, Hogeschool van Amsterdam, Amsterdam

SEPTEMBER 2020 — PRESENT

Currently in my last year as a Software Engineering student with experience in JavaScript/React and Java.

MBO Application Developer, ROC van Amsterdam, Amstelveen

SEPTEMBER 2017 — JULY 2020

Passed the first year with all my credits and learned the programming languages HTML/CSS/PHP. I then got chosen for the excellence trajectory where I received further guidance from The Hague Executive Campus.;

The Hague Executive Campus, Amsterdam

2018 — 2019

A training consisting of several soft skills courses and persona development.

Internships

Labs developer, Foleon, Amsterdam

SEPTEMBER 2022 — FEBRUARY 2023

Researching and developing company hypothesis from the ground up in React/Typescript. Worked in a team consisting of 5 people, using the Lean-startup method.

Web developer, Fresh-Dev, Amstelveen

FEBRUARY 2019 — JULY 2019

Learned the fundamentals of PHP/HTML/CSS and build a website for a lingerie company.

Employment History

Car delivery, Villa Borghese, Amstelveen

FEBRUARY 2020 — SEPTEMBER 2022

Delivered Italian food around Amstelveen.

Assistent Manager, Domino's, Amsterdam

FEBRUARY 2019 — FEBRUARY 2020

Directed kitchen staff & couriers, also occasionally delivered on the scooter.

Courses

Cambridge English, Cambridge University Assessment

2018 — 2019
